## Mobile Banking

Mobile Banking gives you the tools to stay securely connected to your accounts, allowing you to manage your money anytime, anywhere. With Mobile Banking, you can view recent transactions, account balances, check images and branch location information. Easily pay your bills, and transfer, send, receive and deposit funds from the convenience of your smartphone. Use just one, several or all the mobile banking features through mobile apps on your Apple® or Android™ device.

## Mobile Deposit

With a few simple steps, Mobile Deposit allows you to safely scan checks via smartphone for deposit. Once scanned, you are immediately notified that your deposit has been initiated as the images are transmitted to Miners State Bank where final validation and deposit occurs. Available through the My MSB mobile app.

## Are there any fees to use Mobile Banking?

No. There are no fees to use our Mobile Banking Application (data charges may apply).

## Online & Mobile Banking

Our free service lets you manage everyday banking needs anytime you want from your computer, tablet, or mobile device at your leisure.

\*Data Charges may apply
